

TRAVEL ADVISORY

July 16, 2003

Here is the current travel information regarding SARS. Taiwan and Beijing, China have been removed from the alert list.

CDC

ALERT- NONE
ADVISORIES - NONE

Although no SARS-specific precautions are currently recommended for travelers, standard health information for international travelers is available at <http://www2.ncid.cdc.gov/travel/yb/utls/ybDynamic.asp>.

Travelers should be aware of their risk for communicable diseases, such as SARS, and stay informed about current travel alerts or advisories. Information about travel alerts and advisories and CDC pre-travel health recommendations can be found at www.cdc.gov/travel.

Travel Advisories or alerts are no longer in effect for Beijing, Taiwan, Toronto, Hong Kong, Mainland China, Singapore, or Vietnam.

For further information, please call your local health department, the Utah Department of Health, Office of Epidemiology at (801) 538-6191, or visit health.utah.gov/epi/sars, www.cdc.gov, or www.who.int
